

“The new releases from Tenuta di Trinoro are simply spectacular. In 2016 Andrea Franchetti crafted an amazing display of three different Single vineyard Cabernet Franc's wines, which each display their own unique terroir driven characteristics. While the 2016 'Le Cupole' Rosso is another total success and remains one of Italy's best values. From the 2015 vintage, the flagship wine 'Tenuta di Trinoro' is one of the best ever, and the 'Palazzi' (100% Merlot) is one of the finest Merlot's being made in all of Italy.” – Joe D’Angelo
